

CITY OF SHERIDAN, CO
RESOLUTION NO. 20-2014

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SHERIDAN,
COLORADO, ESTABLISHING RESIDENTIAL WASTE AND RECYCLING
COLLECTION SERVICE FEES**

WHEREAS, on May 26, 2014, the Sheridan City Council adopted Article VII.5 of Chapter 22 of the Sheridan Municipal Code establishing a residential waste collection program which, in part, authorizes the imposition of fees, as set by resolution of City Council, upon residents for the collection of residential waste, including single stream recyclable materials; and

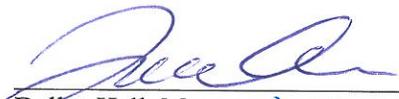

WHEREAS, staff recommends that the fees for waste collection services be based upon the size of the waste container and that a flat rate be established for residential waste single stream recycling collection and other collection services provided by the City's contractual residential waste collector; and

WHEREAS, City Council finds, from the information provided by staff, that all such fees are reasonably related to the costs incurred in providing residential waste and single stream recycling collection services.

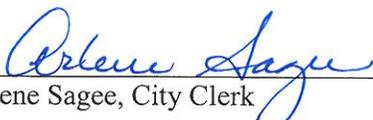

THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SHERIDAN,
COLORADO, THAT:

The fee schedule for services provided by the City's contractual residential waste services collector is approved in substantially the same form as the copies attached hereto as Exhibits A and B and made a part of this resolution.

Done and resolved the 27th day of May, 2014.
