DrivingChange Announces Next Public Meetings

The City of Sheridan is holding its next series of **DrivingChange** public meetings to discuss the work for the Federal West and Goat Hill neighborhoods as part of the Sheridan Bond Improvements Program.

The *Federal West* neighborhood includes the area from W. Hampden Ave. to W. Oxford Ave., and from S. Irving St. to S. Federal Blvd. The public meeting for Federal West neighborhood is **Tuesday, April 4 from 6:00 - 7:30 p.m.** at the City of Sheridan Municipal Building.

The *Goat Hill* neighborhood includes the area from W. Hampden Ave. to W. Dartmouth Ave., from S. Federal Blvd. to Zuni St. The public meeting for Goat Hill neighborhood is **Tuesday, May 2 from 6:00 - 7:30 p.m.** at the City of Sheridan Municipal Building.

"We are gearing up to begin construction in these two areas, and want to make sure residents and businesses have the opportunity to ask questions about upcoming impacts," said Sheridan City Manager Devin Granbery. "Our priority is always keeping everyone well informed."

At these public meetings, the project team will also discuss the overall **DrivingChange** program's status, upcoming project scopes of work and the anticipated schedule.

Federal West Neighborhood Public Meeting

Tuesday, April 4, 2017
6 - 7:30 p.m.

City of Sheridan Municipal Building, Council Chambers
4101 S. Federal Blvd.
Sheridan, CO 80110

Goat Hill Neighborhood Public Meeting

Tuesday, May 2, 2017
6 - 7:30 p.m.

City of Sheridan Municipal Building, Council Chambers
4101 S. Federal Blvd.
Sheridan, CO 80110

A Look Ahead

2017

- The Bottoms area
- Goat Hill from Zuni St. to Federal Blvd. & Dartmouth Ave. to Hampden Ave.
- Irving St. to Federal Blvd. & Oxford Ave. to US 285
- Oxford Ave. to US 285
- 3600 block of Bryant St., south of US 285

The team continues to work with businesses and residents to be mindful of impacts and accessibility.

Work Along South Platte River

In accordance with the American's with Disabilities Act of 1990 ("ADA"), the City of Sheridan will not discriminate against qualified individuals with disabilities. For auxiliary aid or service to participate in this neighborhood public meeting, call 303-762-2200 at least 48 hours in advance of either meeting.

To view maps of the areas designated as Federal West or Goat Hill, or for more information about **DrivingChange**, visit www.ci.sheridan.co.us. You can also send an email to drivingchange@ci.sheridan.co.us to be added to the project database.

Work Beginning in Federal West and Goat Hill Neighborhoods

The **DrivingChange** project team will soon begin work in the areas known as Federal West and Goat Hill.

The Federal West neighborhood area includes W. Hampden Avenue to W. Oxford Avenue and from S. Irving Street to S. Federal Boulevard. Improvements include roadway repair and repaving, curb and sidewalk repairs, and minor storm sewer work.

The Goat Hill neighborhood area includes W. Hampden Avenue to W. Dartmouth Avenue and from S. Federal Boulevard to Zuni Street. Improvements include roadway repair and repaving, curb and gutter additions, and sidewalk replacement.

Work is set to begin in the Federal West area in April and in the Goat Hill area in May. Both projects are scheduled for completion in November 2017.

Bottoms Neighborhood Construction in Full Swing

In January of this year, construction activities began in the Bottoms neighborhood and are in full swing! The **DrivingChange** project team has finished laying the north to south pipe on South Platte River Drive West, necessary for fixing drainage issues.

The team began laying down the main drainage line in Alley #2, located between W. Hamilton Place and W. Girard Avenue to address drainage issues. The area of Alley #2 under construction is between S. Quivas Street and South Platte River Drive West.

The team has also started prepping W. Girton and W. Girard Avenues for paving during the second week of April.

Residents and business owners will begin seeing two separate construction crews in the Bottoms area. One team is working on all pipe work, and the other is working on the road reconditioning.

Work in the Bottoms area is anticipated for completion this fall.

Project team installing drainage pipe in the Bottoms.

South Platte River Trail Set to Reopen in Late Spring

In January, a portion of the South Platte River Trail was closed for **DrivingChange** construction activities. The closure included the area by Hamilton Place and South Platte River Drive.

This area is set to reopen in late Spring as construction activities in that area are completed, barring any unforeseen circumstances. During this time, no large-scale events, marathons or bike events will be allowed without permission

from the Sheridan Public Works Director, South Suburban Park, and the City of Englewood through any detour routes or constructions areas affecting the trail.

City of Sheridan, 4101 S. Federal Blvd, Sheridan, CO 80110
