

2013 Household Income Limits (effective December 11, 2012):

| HOUSEHOLD SIZE | 80% of Area Median Income |
|-----------------------|----------------------------------|
| 1 | \$43,600 |
| 2 | \$49,800 |
| 3 | \$56,050 |
| 4 | \$62,250 |
| 5 | \$67,250 |
| 6 | \$72,250 |
| 7 | \$77,200 |
| 8 | \$82,200 |

*Individual income for each household member will be based on the adjusted gross income as defined for purposes of reporting under the IRS Form 1040.

Eligible minor repairs may include, but are not limited to, the following:

In-Home Mobility & Accessibility

- Construction of ADA code compliant wheel chair ramps up to 25' in length per ramp.
- Safety grab bar installation for added stability and mobility throughout home and in bathroom areas.
- Door widening at utility access points such as bathrooms, kitchens and bedrooms.
- Bathroom modifications such as converting standard bath tub and surround areas into step in or roll in showers for added mobility and safety.
- Installation of bath chairs and benches for added accessibility and independence.

In-Home Safety & Injury Prevention

- Custom steel handrails at exterior egress locations.
- Custom wood handrails for interior areas such as stairs or hallways.
- Wedge ramp and exterior stair repair and modifications for added safety.

Essential Home Maintenance & Repair

- Light plumbing repairs and faucet/sink/drain assembly replacements.
- Light electrical repair and replacement for faulty, dangerous or non functional fixtures, switches and receptacles.
- Exterior soffit, fascia, trim and gutter replacement due to age and weather.
